COMPUTER & INFORMATION SCIENCE

CYBERSECURITY

This option is for you if:

- ✓ You are creative.
- ✓ You are detail oriented.
- ✓ You excel in working in a digital platform.
- ✓ You have good problem-solving skills.

WHAT DO INFORMATION SECURITY ANALYSTS DO DO?

Plan and carry out security measures to protect an organization's computer networks and systems.

RESPONSIBILITIES INCLUDE:

- Monitor their organization's networks for security breaches and investigate when one occurs
- Use and maintain software, such as firewalls and data encryption programs, to protect sensitive information
- Check for vulnerabilities in computer and network systems
- Research the latest information technology (IT) security trends
- Prepare reports that document general metrics, attempted attacks, and security breaches
- Develop security standards and best practices for their organization
- Recommend security enhancements to management or senior IT staff
- Help computer users when they need to install or learn about new security products and procedures

INFORMATION TECHNOLOGY

This option is for you if:

- ✓ You are creative.
- ✓ You are detail oriented.
- ✓ You excel in working in a digital platform.
- ✓ You have good problem-solving skills.
- ✓ You have good communication and listening skills.

WHAT DO COMPUTER SUPPORT SPECIALISTS DO?

Provide help and advice to computer users and organizations. These specialists either support computer networks or provide technical assistance directly to users.

RESPONSIBILITIES INCLUDE:

- Test and evaluate existing network systems
- Perform regular maintenance to ensure that networks operate correctly
- Troubleshoot local area networks (LANs), wide area networks (WANs), and Internet systems
- Set up or repair computer equipment and related devices

WHAT DO COMPUTER SUPPORT SPECIALISTS DO?

Create and maintain website(s). They are also responsible for a site's technical aspects, such as its performance and capacity. Digital designers develop, create and test website or interface layout, functions, and navigation for usability.

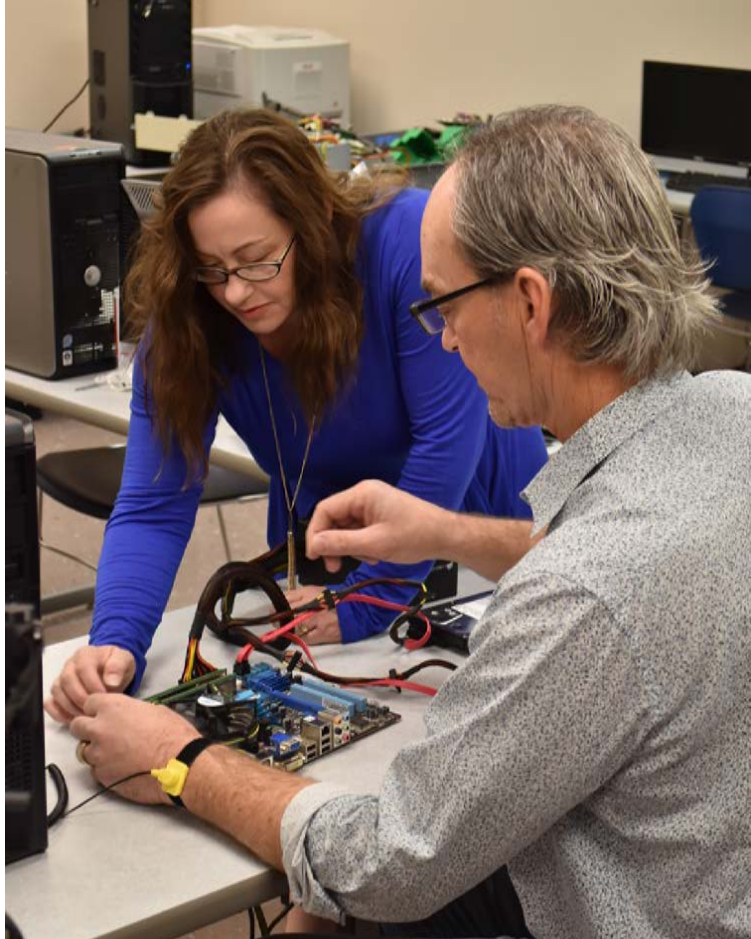

RESPONSIBILITIES INCLUDE:

- Meet with clients or management to discuss the needs, design, and functionality of a website or interface
- Create and test applications, interfaces, and navigation menus for a website
- Write code for the website, using programming languages (HTML or XML)
- Work with graphics and other designers to determine the website's layout

EDUCATION

EARLY CHILDHOOD EDUCATION

This option is for you if:

- ✓ You have good communication skills.
- ✓ You enjoy working with all kinds of people.
- ✓ You are good at multitasking and time management.
- ✓ You have a large amount of patience and can remain calm in all situations.

WHAT DO CHILDCARE WORKERS DO?

Attend to the basic needs of children, such as dressing, feeding, and overseeing play. They may help younger children prepare for kindergarten or assist older children with homework.

RESPONSIBILITIES INCLUDE:

- Supervise and monitor the safety of children
- Prepare and organize mealtimes and snacks for children
- Help children maintain good hygiene
- Change diapers of infants and toddlers
- Organize activities or implement a curriculum that allows children to learn about the world and explore their interests
- Develop schedules and routines to ensure that children have enough physical activity, rest, and playtime
- Watch for signs of emotional or developmental problems in children and bring potential problems to the attention of parents or guardians
- Keep records of children's progress, routines, and interests

- ✓ You have physical and mental stamina.
- ✓ You have good communication skills.
- ✓ You are passionate about education.
- ✓ You are patient and resourceful under pressure.

WHAT DO KINDERGARTEN, ELEMENTARY & MIDDLE SCHOOL TEACHERS DO?

Kindergarten and elementary teachers instruct young students in basic subjects, such as math and reading, in order to prepare them for middle school. Middle school teachers help students build on the fundamentals taught in elementary school and prepare students for high school.

RESPONSIBILITIES INCLUDE:

- Create lesson plans to teach students subjects, such as reading, science, & math
- Teach students how to interact with others
- Observe students to evaluate their abilities, strengths, and weaknesses
- Instruct an entire class or smaller groups of students
- Grade students' assignments
- Communicate with parents or guardian about their child's progress
- Work with students individually to help them overcome learning challenges
- Prepare students for standardized tests required by the state
- Develop and enforce classroom rules to teach children proper behavior
- Supervise children outside of the classroom during lunchtime or recess

NURSING ASSISTANT (CNA)

This option is for you if:

- ✓ You are patient and enjoy a routine.
- ✓ You can stand for long periods of time.
- ✓ You are a compassionate and caring person.
- ✓ You are trustworthy and dependable.
- ✓ You enjoy working with people.

WHAT DO NURSING ASSISTANTS & ORDERLIES DO?

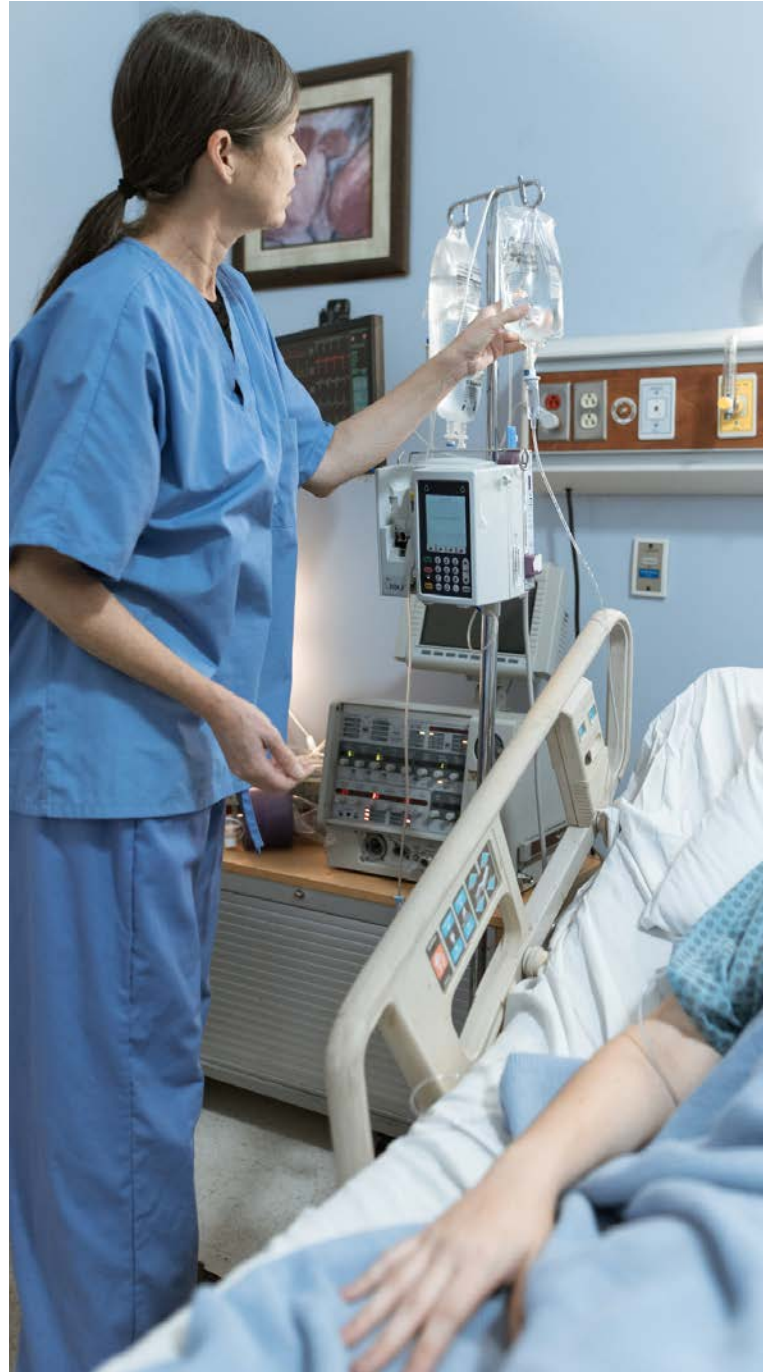

Sometimes called nursing aides, nursing assistants help provide basic care for patients in hospitals and residents of long-term care facilities, such as nursing homes. Orderlies transport patients and clean treatment areas.

RESPONSIBILITIES INCLUDE:

- Clean and bathe patients or residents
- Help patients use the toilet and dress
- Turn, reposition, and transfer patients between beds and wheelchairs
- Listen to and record patients' health concerns and report that information to nurses
- Measure patients' vital signs, such as blood pressure and temperature
- Serve meals and help patients eat
- Help patients to move around the facility by doing such tasks as pushing wheelchairs
- Clean equipment and facilities
- Change linens
- Stock supplies

- ✓ You are detail oriented.
- ✓ You enjoy working with a team.
- ✓ You are physically fit and enjoy being active.
- ✓ You can remain composed in stressful situations.

WHAT DO EMTS & PARAMEDICS DO?

Care for the sick or injured in emergency medical settings. People's lives often depend on the quick reaction and competent care provided by these workers. EMTs and paramedics respond to emergency calls, perform medical services, and transport patients to medical facilities.

RESPONSIBILITIES INCLUDE:

- Respond to 911 calls for emergency medical assistance, such as cardiopulmonary resuscitation (CPR) or bandaging a wound
- Assess a patient's condition and determine a course of treatment
- Provide first-aid treatment or life support care to sick or injured patients
- transport patients safely in an ambulance
- transfer patients to their emergency department of a hospital or other healthcare facility staff
- Document medical care given to patients
- Inventory, replace, and clean supplies and equipment after use.

- ✓ You are detail oriented.
- ✓ You enjoy working with all kinds of people.
- ✓ You are good at multitasking.
- ✓ You can remain composed in stressful situations.

WHAT DO FUNERAL SERVICE WORKERS DO?

Organize and manage the details of a funeral. Funeral service managers oversee the general operations of a funeral home business. They perform a wide variety of duties, such as planning and allocating the resources of the funeral home, managing staff, and handling marketing and public relations.

RESPONSIBILITIES INCLUDE:

- Recognize the importance of the care of the bereaved and the deceased
- Conduct funeral ceremonies and funeral arrangement conferences with families
- Preserve and restore a deceased human body through embalming
- Coordinate burial, cremation, and other final disposition options
- Oversee, direct, and coordinate all aspects of funeral services, including visitations or burials

- ✓ You have a passion for fixing things.
- ✓ You enjoy playing with the latest technology.
- ✓ You thrive in a changing work environment.
- ✓ You have a sharp attention to detail.
- ✓ You are a team player.

WHAT DO DIESEL SERVICE TECHNICIANS DO?

Perform inspections, maintenance, repairs, and general care for diesel engines. Some diesel technicians specialize in specific types of vehicles. When commercial transportation malfunctions, a diesel tech will diagnose the problems and find solutions.

RESPONSIBILITIES INCLUDE:

- Consult with customers, read work orders, and determine work required
- Plan work procedures using technical charts and manuals
- Inspect brake systems, steering mechanisms, transmissions, engines, and other parts of vehicles
- Follow checklists to ensure that all critical parts are examined
- Read and interpret diagnostic test results to identify mechanical problems
- Repair or replace malfunctioning components, parts, and other mechanical or electrical equipment
- Perform basic care and maintenance, including changing oil, checking fluid levels, and rotating tires
- Test-drive vehicles to ensure that they run smoothly

- ✓ You have good logical-thinking and problem solving skills.
- ✓ You can remain composed in stressful situations.
- ✓ You are adept at using hand tools and familiar with heavy machinery.

WHAT DO ELECTROMECHANICAL AND MECHATRONICS TECHNOLOGISTS DO?

They combine knowledge of mechanical technology with knowledge of electrical and electronic circuitry. They operate, test, and maintain unmanned, automated, robotic, or electromechanical equipment.

RESPONSIBILITIES INCLUDE:

- Read blueprints, schematics, and diagrams the method and sequence of assembly of a machine or piece of equipment
- Verify dimensions of parts, using precision measuring instruments
- Operate metalworking machines to make housings, fittings, and fixtures
- Inspect parts for surface defects
- Use instruments to test the performance of electromechanical assemblies
- Analyze and record test results

- ✓ You are a good problem-solver.

WHAT DO HEAVY AND TRACTOR TRAILERS TRUCK DRIVERS DO?

Heavy and tractor-trailer truck drivers transport goods from one location to another. Most tractor-trailer drivers are long-haul drivers and operate trucks with a total weight exceeding 26,000 pounds for the vehicle, passengers, and cargo. These drivers deliver goods over intercity routes that sometimes span several states.

RESPONSIBILITIES INCLUDE:

- Drive long distances
- Report any incidents encountered on the road to a dispatcher
- Follow all applicable traffic laws
- Secure cargo for transport, using ropes, blocks, chains, or covers
- Inspect their trailers before and after the trip and record any defects they find
- Maintain a log of their working hours, following all federal and state regulations
- Report serious mechanical problems to the appropriate people
- Keep their trucks and associated equipment clean and in good working order

- ✓ You have good spatial-orientation skills.

WHAT DO WELDERS, CUTTERS, SOLDERERS, AND BRAZERS DO?

Use hand-held or remotely controlled equipment to fuse or cut metal materials. They also fill holes, indentations, or seams in metal products. They can work in several different industries, so welders might build structures or repair existing infrastructures.

RESPONSIBILITIES INCLUDE:

- Study blueprints, sketches, or specifications
- Calculate the dimensions of parts to be welded
- Inspect structures or materials to be welded
- Use one of many different welding processes (such as arc welding)
- Ignite torches or start power supplies
- Monitor the welding process to avoid overheating
- Maintain equipment and machinery

Scholarship Information

Foundation Scholarship

Foundation scholarships are open to all UAHT students. The scholarships are funded by the contributions of businesses, non-profit entities, and individuals to students who meet the criteria established by the scholarship donors.

Hempstead Guarantee

The Hempstead Guarantee is a scholarship that guarantees the first year of college at no cost at UAHT for students who graduate from high schools in Hempstead County, Arkansas. For more information, visit uaht.edu/hempstead-guarantee, call 870.722.8524, or email admissions@uaht.edu.

U-CAN Scholarship

UAHT offers scholarships for a FREE 3-credit-hour course with the following qualifications:

- Hempstead, Nevada, Miller, or Lafayette County resident
- Not attended school in the last 2 years
- Not completed an associate degree or higher
- Course must be 3 hours or less
- Course must be taken in the upcoming fall/spring semester
- The U-Can Scholarship is limited to 2 semesters

GED Scholarship

Minimum qualification:

A composite score of 660 on the official GED exam that is less than one year old at the time of application AND no previous college experience.

Institutional Scholarships

UAHT recognizes academic achievement by awarding three types of institutional scholarships for current graduating high school seniors. Individuals who meet the criteria for these scholarships are encouraged to download an application or contact the Director of Student Relations at 870.722.8228. Application priority deadline is **April 15th** of the year of high school graduation.

Chancellor's Scholarship

Minimum qualification:

ACT composite score of 25-36 OR

7/8 semester high school GPA of 3.75-4.00

Annual scholarship amount: **\$3,400**

Honors Scholarship

Minimum qualification:

ACT composite score of 25-36 OR

7/8 semester high school GPA of 3.50-3.74

Annual scholarship amount: **\$2,400**

Bridge Scholarship

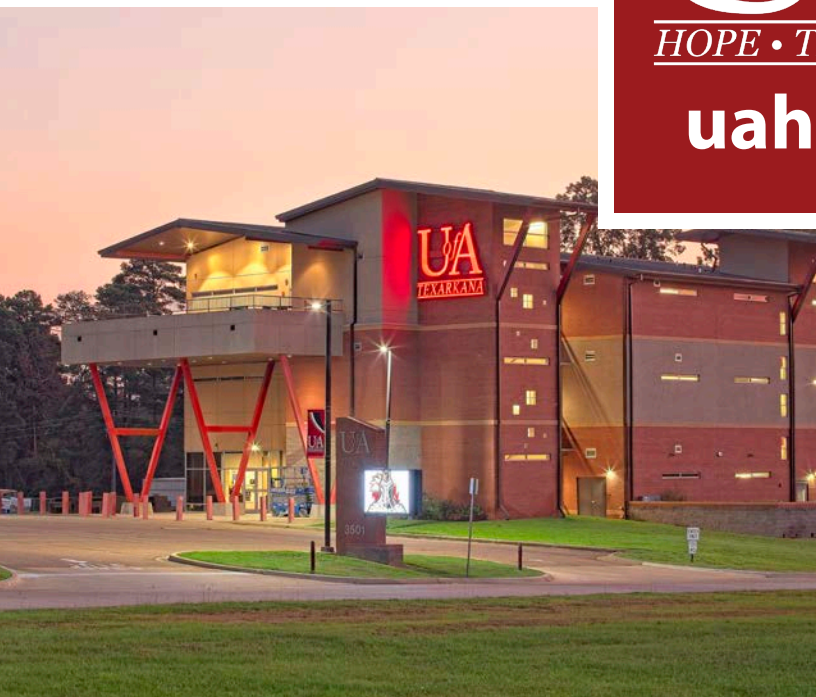

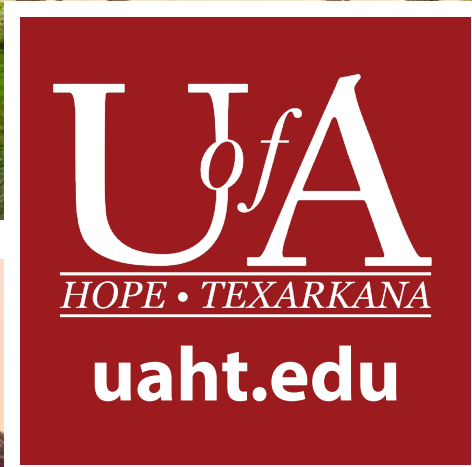

Minimum qualification:

ACT composite score of 19-20 OR

7/8 semester high school GPA of 3.25-3.49

Annual scholarship amount: **\$1,000**

When it comes to career and technical training, the University of Arkansas Hope-Texarkana offers a variety of program types and formats to fit your unique needs. With two convenient campus locations, affordable tuition, and a world-class University of Arkansas system education, UAHT is your bridge to the future!
