Education Center

**Get a head
start on
college and
a career!**

The University of Arkansas Hope-Texarkana Secondary Career & Technical Education Center is an area secondary career center located on the UA Hope and Texarkana Campuses. The Secondary Career Center provides participating high school juniors and seniors with the unique opportunity to earn college credit while still in high school at no charge. The center's curriculum serves as an extension of the high school curriculum offerings by providing students with hands-on experiences in a variety of career fields taught by UAHT Faculty.

QUICK FACTS:

- For high school juniors and seniors.
- Taught by UAHT faculty members.
- Earn college credit while still in high school.
- Complete certificates while still in high school.
- FREE of charge.
